

Hello, we would like to invite you to be a vendor,

March 27, 2021 will mark the 16<sup>th</sup> year that the Central Florida community will come together and show its support of the men and women of our Armed Forces when they take part in Central Florida's largest fundraiser for **Central Florida Ride for Our Troops**. Formerly known as "The Jason Burnett Memorial USO Benefit Ride," the ride was initially established in 2005 by a group of local motorcycle enthusiasts to show their support of our deployed active duty military. In 2007, the ride was re-named in memory of Osceola County's only resident lost in the Iraq and Afghanistan conflicts, PFC Jason Burnett.

Now known as "Central Florida Ride for our Troops," proceeds will be collected in support of J.O.S.H.: Just Our Soldiers' Helpers "Care Package Program." This program provides care packages for our deployed service members in harm's way. Receiving these care packages provide our deployed military with a touch of home, support and appreciation for their sacrifices.
